

Simulation Diagram of 360° Rotatable 3D Base Support

## Main Components

- High-volum exhaust device (whirlpool pump + air pump)
- 2 evaporation sources
- Crystal vibration sub-film monitor
- 4 rotatable 3D base support

Made in Tsukuba Japan

## NaBond Technologies Co., Limited

Head office: 1001, Fourseas building, Nathan Rd, KL, HONG KONG  
Shenzhen office: 402-406, No. 13rd Bldg, Zhongxing Industrial Park,  
Chuangye Rd, Nanshan, Shenzhen, China, 518054
